

Player Rating Change Request Form

Date: _____

Please submit this completed form to the Ratings Committee Chairperson in person or by email. If you are trying to change your current player's ratings, only your signature, as that player's coach, is required. If you are trying to change a player's rating that is not currently on your team, per the Player Ratings Procedure, you must have a second and third coach or manager, from different teams in the same division, who agree with your request and both must provide their information at the bottom of this document. If the change is accepted by a consensus vote of the Ratings Committee, the SSL Ratings Sheet will be updated to show the change. If the change is denied, you will be contacted and you will be able to make an appeal to the Executive Council, if you choose to do so.
